FOREIGN NATIONALS UNEASY

Nanking, Jan. 10.
Radical elements, including communists, have taken over control of Sianfu with a "national salvation" programme in which anti-Japanism is featured according to official announcements.

An American communist author has taken a most active part in the movement and has been frequently broadcasting in English from Sianfu. It is revealed that she has been in Sianfu throughout the recent revolt.

The foreign Embassies are very much concerned about the safety of their nationals in the event of hostilities.

Musical Afternoon

MR. LI CHOR CHI'S RECEPTION

Mr. Gerald Sydney
Felicited

In journalism there are always controversies. For instance, there are some who would say that the caption to this appreciation was incorrect—journalistically. How, they would ask, can an "afternoon" be musical? An "afternoon" is impersonal, therefore, how could it have the emotion of "musical"? Just the same, so it might be argued, could any "day" be characterised by a "feeling"? Quite right, technically speaking; but do we not frequently refer to "a happy day"? It is a pardonable colloquialism.

So, our heading stands, "Musical Afternoon," for so it was when Mr. Li Chor Chi gave a reception in the private lounge of the Gloucester Hotel on Saturday in honour of Mr. Gerald Sydney, a teacher of singing whose accomplishments have earned for him an enviable reputation in other parts of the Orient as well as in Britain.

Not the least charming of the features which characterised this reception were the number of surprises which Mr. Li Chor Chi had in store for his guests.

City Property IMPORTANT TRANSFER

\$300,000 Reported
Purchase Price

One of the oldest buildings in Queen's Road, Central will soon change hands. The plan of its present owner materialises.

The building, referred to is situated at No. 8 Queen's Road, Central, now occupied by the Hong Kong Furniture Company on the ground floor, and the Hong Kong Property Owners' Association on the second floor.

The present owner of the building is Mr. Kenneth Chan, Managing Director of Messrs. Ganide, Price and Company, who came into possession of it on assuming the estate left by his father, the late Mr. Chan Kai Ming. The sale was negotiated through a broker, and Mr. Chan does not know the identity of the purchaser or what they intend to do with the property.

A price of \$37 per square foot has been set on the property, which has a total area of approximately 8,000 square feet, for which a deposit of \$30,000 has already been paid. Negotiations are still being carried out and it is hoped that the final deeds will be completed at the end of February.

East Lanes. Memorial

Wreath Laid At Happy Valley

On the occasion of the departure of the 2nd Battalion, the East Lancashire Regiment, for India tomorrow, a pleasing ceremony was performed at the Protestant Cemetery, Happy Valley, yesterday afternoon.

A Sergeant, accompanied by a Corporal and three privates, laid a beautiful wreath at the base of the monument erected in 1850 in memory of men, women and children of the Regiment who died in Hong Kong.

The wreath bore the Regimental crest and colours. It was from the Commanding Officer, officers and all ranks of the East Lanes.

It is recorded that in 1849 the battalion embarked at Cork for Hong Kong but, owing to cholera it was disembarked at Rio Janeiro where it remained for three months, finally arriving here in February 1854, taking up quarters in Murray Barracks.

The battalion remained on the island for about ten years and suffered terribly from the climate. In the month of August 1850, 44 men died and in the first year it lost 150 men, women and children. During the battalion's service in Hong Kong the number of deaths totalled 639 men, women and children, whilst 530 were invalided to England. At the entrance to the Happy Valley Cemetery there stands a monument to these unfortunate people.

FOREIGN VOLUNTEERS FOR SPAIN

Reports Of German Activity

London, Jan. 9.
The Italian and German replies to the Anglo-French appeal for a ban on the flow of volunteers to Spain is under active consideration at the Foreign Office.

It is understood that the British view is that further negotiations should be continued through diplomatic channels concurrently with the work of the Non-Intervention Committee.

Official comment so far is lacking, but it is pointed out that the German and Italian replies may be regarded with some satisfaction as far as they indicate readiness to maintain the principle of non-intervention.

In the meanwhile Mr. Anthony Eden has discussed the Spanish situation with the leaders of the Liberal opposition, following consultation with the leaders of the Labour Party.

The British Government received reports about three weeks ago regarding German activity in Morocco and discussed the question with the French Government.

Unofficial reports received in Paris state that preparations are well advanced to provide accommodation and supplies for a large number of German troops expected at Ceuta and neighbouring ports.—

NEW TERRITORIES AGRICULTURAL SHOW

Crowds Throng Exhibition

MANY PRIZE WINNERS

The tenth annual exhibition of the New Territories Agricultural Association, which was officially opened by His Excellency the Governor, Sir Andrew Caldecott, at Sheung Shui on Saturday, found over 5,000 exhibits of Chinese foreign vegetables and fruits being displayed. There was a large influx of visitors to the exhibition both on Saturday and yesterday, enthusiastic crowds jamming the entrance even after the exhibition had been declared opened by His Excellency the Governor.

There was a notable increase in the majority of exhibits, especially foreign vegetables such as tomatoes, beetroot, cabbages, cauliflower, turnips, carrots and parsnips. Rice exhibits, however, were not so numerous as last year owing to the recent drought, the crops having suffered considerable loss this year.

OUTSTANDING EXHIBITS
Four exhibits were in particular attractive, for which Lady Ho Tung, the Hong Lok Yuen, the Tat Tak School of Pingshan, and the Botanical and Forestry Department were responsible.

These stalls, however, were not entered for the competition. Lady Ho Tung's stall displayed over 50 various exhibits, all of which were produced on her farm, Tung Ying Hoi Po. A vast improvement was also noted in the quality of the display of the Tat Tak School, their oranges being once again like last year's outstanding.

The most outstanding stall was undoubtedly that of the Botanical and Forestry, which was made up by Mr. H. Green, and the tomatoes, beetroot and turnips on this stall were the best display in the exhibition.

A YEAR'S WORK
The Reverend H. R. Wells, Chairman of the Hong Kong New Territories Agricultural Association, in the course of his address of welcome said:—

The ten years of effort may in some sense seem rather a waste, as it is considered that the show represents the whole of a year's work. In a sense that has been true, but there is a solidarity growing up amongst the farmers, and when anything affects them individually, or as a body, they are not slow in making representations to the Committee and the Association.

MISSING STUDENTS RETURN

There has been a startling development regarding the disappearance of three Indian schoolboys during the past few days in that they returned to their homes early yesterday morning.

The three boys were Sham Singh, a student of Queen's College, Hari Singh and Karer Singh, both Ellis Kadoodle students.

On interviewing Indar Singh, watchman employed at the Douglas Steamship Wharf and the father of Sham Singh yesterday evening, it was learned that the boys took a train to Canton on Thursday morning and stayed at the Central Hotel. The boys were discovered by someone in Canton who took steps to send them back. The fugitives returned to Hong Kong by the s.s. Fat Shan early yesterday morning.

On asking Indar Singh why his son left his home in this way, he replied that he went for a trip just to see Canton. Questioned further about the \$2,500 which was alleged to have been stolen from the box, the reply was that no such money was stolen.

Indar Singh added that the boys will resume their school studies this morning.

MACAO RACES IN POOR WEATHER CONDITIONS

Mr. S.C. Liang Scores Two Successive Wins

MISS KERRISON WINS RACE FOR LADIES

The January Meeting of the Macao Jockey Club, held at Areia Preta, Macao, yesterday, was somewhat marred by the dismal weather conditions and it was no doubt due to this that the crowd that made the trip over from Hong Kong for the occasion was not as large as usual.

It was bitterly cold when the s.s. Kinshan pulled out from the Wing Lok Street Wharf and the trip was rather rough, and those who hoped that the weather in the Portuguese Colony would be more favourable were disappointed to find on arrival there that it was drizzling. In spite of this, however, the jockeys provided us with some very good sport and a special word of praise must be given the ladies of the Hong Kong Riding School for by the time their race came to be run rain was falling very steadily but in spite of this they provided the spectators with the best finish of the day.

As a mark of respect to the memory of Mr. George Hutton Potts, late chairman of the Macao Race Club, the flag of the Club was flown at half-mast while all the jockeys who took part in the meeting wore black arm-bands.

Miss Nancy Kerrison, who has

only just come back to the Colony from a holiday in Australia won the Ladies' Dash on Paul Jones, Miss Joan Langley, on Boukra, the favourite, being only a neck behind. The winner, incidentally, paid the useful dividend of \$25.10.

Ackroyd Hunt, Mrs. Paton, Mrs. Rybot, Mrs. McAvoy, Mr. Marson, Mr. Fuller, Mr. Felden, Mr. Butcher, Mr. Macnamara, Mr. Cavanagh-McAnawaring, Col. Rodwell, Mr. Parker Jervis, Mr. Balmcourt, Captain Gwyder Jones, Major and Mrs. Allison who are leaving the Colony shortly, were also among the gathering.

BRILLIANT HOCKEY IN DRIZZLE

United Services Defeat Waseda University

PATAUB AND NARAIN SINGH IN LIMELIGHT

A brilliant display of speed, stickwork and perfect working of their attacking machine marked the United Services' play in their encounter with the visiting Waseda University hockey eleven, when the former earned a well-deserved victory of four goals to two. It was the first of the games arranged for the Japanese team and the match, which took place on the U.S.R.C. ground on Saturday afternoon, proved a rare treat for the fair crowd of spectators that dared the drizzle to watch it.

Both Pataub and Narain Singh were heads above all other players on the field and the tricky combination between the Indian pair as time and again they crashed through the Waseda defence kept the Japanese on the constant move. Thornhill was also outstanding in the United Services' forward line and he showed an equal understanding with the left flank, assisted by Wraith and Donald on his either side, in completing the movements.

Long before the end of the game it was already clear that the Waseda players were finding things not altogether their own way. The visitors kept a very close watch on the two Indian players almost from the start, but they found themselves unable to stop the pair from dribbling right through their defence and putting the ball into the penalty circle for the other forwards to score.

Despite the defeat and score against them, the Japanese were by no means disappointing for it was they who started the game at the place which both teams succeeded in maintaining towards the end. However, the visitors seemed unaccustomed to the ground and in its wet state they found it rather difficult to use their feet. Their forwards were fast and tricky, but both Cox and Broome, the United Services' backs, were mainly responsible for holding back the opposing forwards from within shooting range.

The Japanese attacks in the main originated from the right where Sugawara, a reserve member of the Japanese Olympic team, found his neighbour, Kawai, helpful on every occasion. The other forwards equally did their share of the work and it was rather too apparent that their half-line worked too much back in their own section of the field and, consequently, frequently lost the ball when they attempted to feed the attacking line.

The two backs were often guilty of missing the ball and the United Services never failed to get on to it whenever the opportunity was offered them. Onizuka, the Waseda goalkeeper, proved himself a difficult custodian to get past with the ball and he displayed remarkable good judgment and coolness in repelling the shots that threatened his goal when the opponents got into the circle.

JAPANESE SCORE

A few minutes after the game started, Shimoda very cleverly snapped up a pass from one of his team-mates and drove the ball into the United Services' goal, giving Howlett no chance, with it. Following the centre-bully, Waseda conceded a short corner and from the resulting play Thornhill let loose a terrific drive which beat Onizuka but, fortunately for Waseda, Kawahara had taken position in the goalmouth and he brilliantly cleared the ball.

The United Services launched a series of attacks on Waseda which the latter successfully repelled until Thornhill shot the ball through the defenders' legs into the net to even the score. Shortly before the interval Shigewara, receiving the ball from Shimoda at the end of a beautiful movement forced Waseda into the lead again.

The United Services re-opened play after half-time with a sudden attack on the Waseda goal and it looked as though they would score again, when one of their forwards was pulled up for offence.

The United Services now appeared to have the better of the game and they kept up a repeated attacks on the Waseda goal. They were rewarded for their efforts soon after when Wraith, who had just missed scoring, came into possession of the ball from a 25-yard bully, which he cleverly kept through the Japanese defence to equalise again for the United Services.

At this stage, both Pataub and Narain Singh kept the crowd of spectators thrilled with their brilliant playing.

The third goal for the United Services was scored when Donald ran in from the right wing position to put the ball past the Japanese goalie. Play was kept up in a ding-dong fashion as the visitors tried very hard to even the score again and during a scrimmage in the Waseda area Wraith succeeded in doing so, the final whistle being blown a few minutes after.

Following were the teams:—
Waseda:—Onizuka; Kawahara, Ishihara; Kawashima, Yamada, Kurisaka; Shimoda, Masamura, Yonemaru, Kawai, Sugawara.
United Services:—Howlett; Broome, Cox; McCoy, Stapleton, Brown; Pataub, Narain Singh, Wraith, Thornhill, Donald.

LOCAL FOOTBALL

RECREIO LUCKY

Recreio were fortunate at King's Park in defeating Kowloon by 3 goals to 1, the Kowloon forwards failed to score in the first half due to erratic shooting, coupled with admirable custodianship on the part of Souza.

Gomes opened the score for Recreio with a well-placed kick after a minute's play and a few minutes later obtained a second goal.

D. Knox, determined to obtain a goal at all costs, reduced the lead with a splendid shot. B. Gosano, however, retaliated with a well-merited goal, cleverly lobbing the ball over Minhinnet's head.

POLICE DRAW WITH FUSILIERS

At Kowloon on Saturday the Police surprisingly shared the points with the Fusiliers, each side scoring a goal.

The Police were outplayed in the second half but the defence played magnificently under pressure, especially the intermediate line. North, Gough and Parker played inspired football. The Police secured an interval lead of one goal, scored from a corner kick by Green. That nothing material accrued, beyond Roberts's equaliser, was not the inside left's fault—McHardy was on top of his form and gathered all manner of shots.

DANO SCORES A KNOCK-OUT OVER AL SPINA

FINE WIN FOR FILIPINO

Boxing Surprise

Living proof of the old adage, you can't keep a good man down is furnished by Pablo Dano, flashy featherweight, who these days is walking around with just a trifling trace of swagger in his stride. The reason—Pablo last month registered an impressive knockout over Al Spina, Portland Italian, recognised as Pacific Northwest featherweight champion.

It was Spina's second loss in 65 professional starts. It was his first loss to a Filipino, and he has fought the best of them including Young Tommy, Dempsey and Speedy Dado.

Wicked Haymaker
Dano, labelled a "cocking trial horse" for Spina by one of San Francisco's sports writers, uncorked a haymaker that put Spina flat on his back for the count of ten in the seventh of what was to have been a ten-round bout. Behind five years ago.

LADIES' HOCKEY

Seven-A-Side Tourney On Saturday

H.K. LADIES' WIN

The Hong Kong Ladies Hockey Club won the Pearce Cup when they defeated the St. Andrew's Club Ladies by the odd goal in seven in the final round of the third annual ladies' seven-a-side hockey tournament. In the semi-final the H.K. Ladies overcame the Y.M.C.A. Ladies, holders of the trophy since its inception in 1935, by four goals to one. The losers resorted to too much dribbling and it was largely due to this fact that they suffered defeat.

At the conclusion of the afternoon's matches, Mrs. T. E. Pearce, donor of the trophy, was introduced by Miss E. M. Gray, after which she presented the Pearce Cup to Miss Jean Dalziel, captain of the H.K. Ladies, and the Knoll Cup to Miss P. Gittins, captain of the Saints.

In the first round, the Central British Association Ladies defeated the Royal Ulster Rifes Ladies by the only goal scored. The winners success was short-lived for in the next round they met with defeat at the hands of the H.K. Ladies by 1-0, the goal scorer being Miss W. Marsh.

This round also saw the elimination of the Rectory by the Diocesan Girls' School (for whom the only goal was scored by Miss E. Churn), the Royal Welch Fusilier Ladies by St. Andrew's 3-0 (Miss P. Gittins gained the "hat trick"), and the Central British School by the Y.M.C.A. by 4-1. Miss D. McCaw scored for the School and Misses M. Smith (2), S. Dalziel and O. Dalziel for the winners.

The semi-finals produced interesting and exciting hockey. St. Andrew's overcame the Diocesan Girls' School by one goal to nil, the scorer again being Miss Gittins while the H.K. Ladies defeated the Y.M.C.A. by the score of 4-1. Mrs. Donald was in excellent form and notched three of the winners goals, the fourth being netted by Miss Marsh. Miss O. Dalziel was responsible for the losers' solitary point.

The final was a much closer match than was anticipated, the Saints, by sheer stamina and determination fully extending their opponents. Mrs. Donald claimed a further three goals for her side while Miss B. M. Pope scored one. Misses P. Gittins, J. Wong and M. da Rosa scored for the Saints.

THE TEAMS

The following were the teams:
C.B.A.—J. Walker, F. Best, I. Woolley, O. Peters, M. Whitley, Mrs. Burton, D. Hunt.

C.B.S.—M. Frazer, J. Booker, M. McCaw, C. Bone, M. Booker, D. McCaw, P. Baxter.

H.K. Ladies:—E. Gray, J. Dalziel, B. Pope, K. Glover, W. Marsh, Mrs. Oliver, Mrs. Donald.

Recreio:—C. Osmond, N. Gonzales, Mrs. Silva, A. Xavier, M. Roza, C. Silva, A. Alves.

St. Andrews:—G. White, S. West, J. Humphreys, J. Wong, F. Wong, M. Roza, P. Gittins.

R.U.R.—Mrs. Hayden, Mrs. Campbell, Mrs. Hole, W. Hamon, Mrs. Elwood, E. Hamon, Mrs. McNeilan.

R.W.F.—Mrs. Wigham, Mrs. Cowan, Mrs. Kidgell, Mrs. MacGuinness, Mrs. Jones, Mrs. Hill, Mrs. Dandy.

Y.M.C.A.—A. Fowler, E. Thompson, M. Smith, S. Dalziel, O. Dalziel, V. Bradbury, M. Westcott.
D.G.B.—J. Hall, D. Turner, P. Dodd, M. Lawson, E. Churn, H. Blacker, S. Roberts.

the punch was not only 123 lb. of the best Dano brown on the pugilistic market, but the hopes and prayers of his three countrymen, two of whom, Tommy and Dempsey, succumbed by knockout to the rugged Italian.

The only other man to trim Spina since he entered professional ranks has been Mike Beliole; New York's world's featherweight champion. The best Mike could do was outpoint the elusive Pacific Northwesterner.

Early Good Start
Dano got off to his usual early good start. He held it throughout and the old familiar two-fisted attack to the face and body had Spina in distress on several occasions. Pablo wound up the bout at the first opportune moment, the seventh.

The outcome of the bout sent the tiny Filipino's stock soaring to new heights. The fight, incidentally, marked Dano's first appearance in a Bay Region ring, since he won the state bantamweight crown from Newsboy Brown nearly five years ago.

Annual Dance

Conforming to the festivities of the season the Diocesan old Girls' Association held their annual carnival dance on Saturday night.

Amid decorations of multi-coloured papier-mache in streamers, balloons, and bunting, belonging only to Yuletide the throng of merry-makers danced to the rhythm of the orchestra from H.M.S. Medway, who gave many encores at the repeated demands of the dancers.

Conquer that Weakness!
You can—with SANATOGEN

"There is abundant evidence of the value of Sanatogen as a restorative and food, and more particularly in cases of general debility".

—writes "The Lancet."

"A Great Strengthening", wrote the Hon. Sir F. A. Robertson, Judge of the Chief Court, Lahore, about Sanatogen.

Remember that these letters—and thousands similar—were written by people who, before the use of Sanatogen, were just as sceptical as you may be of its tonic effects. But they decided to try Sanatogen and they got back their health and vigour.

"Sanatogen"—as a well-known London physician puts it—"goes straight to the core of well-being, namely, the cells—and builds these up into a permanent and solid fabric of health."

Sanatogen will build up your Health lastingly. Over 25,000 physicians support this claim with their written commendation.

"Sanatogen gives a distinct restorative effect", writes Sir Luke White.

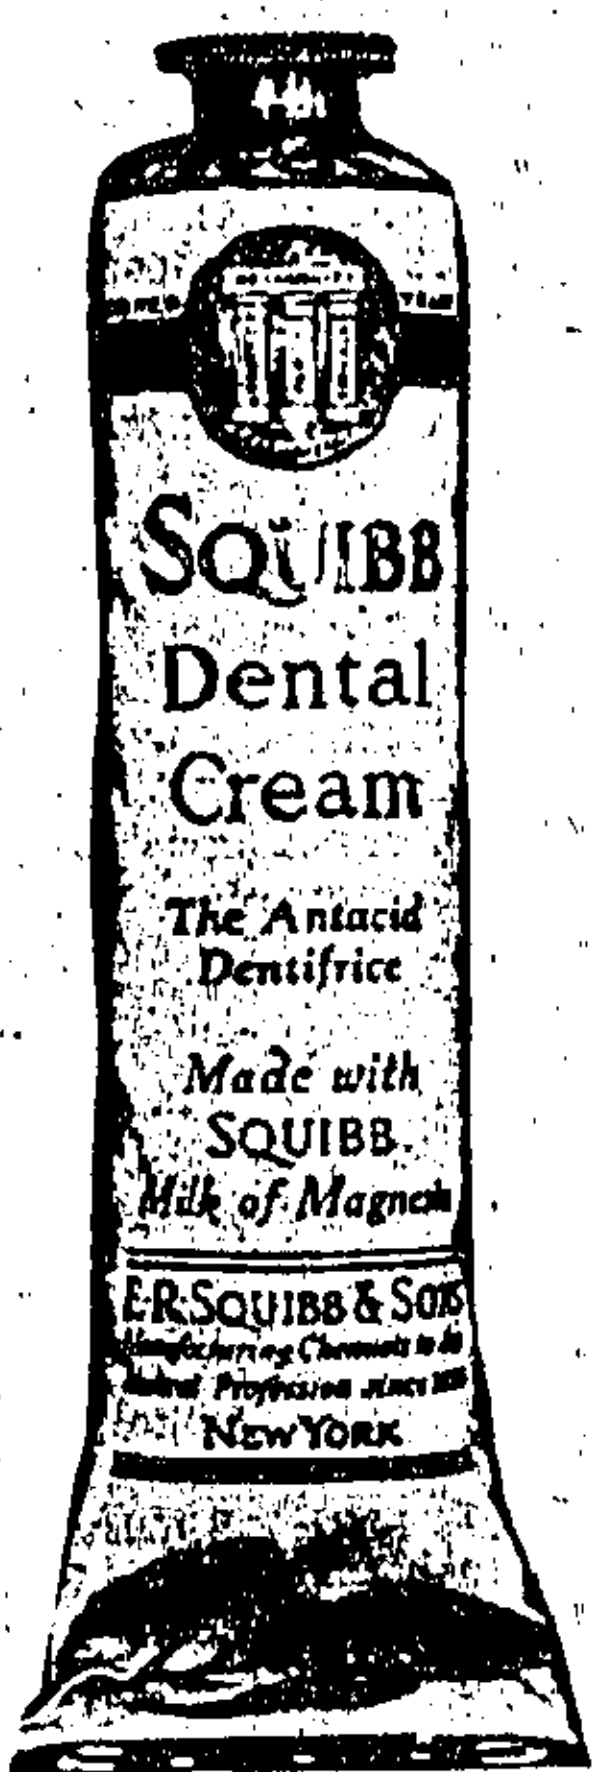

"My nurses and myself were very much struck with my rapid improvement with Sanatogen", writes the wife of a well-known doctor, Mrs. C. A. M. Phillips.

"A Wonder-worker" are the words in which Mr. Coulson Kernahan, the well-known author, describes Sanatogen.

SANATOGEN will always do you good and cannot possibly do harm.

BERYL MARKHAM SETS NEW MARK

COURAGE COMPELS ADMIRATION

Elements Defied

Mrs. Beryl Markham's daring challenge to North Atlantic weather earned success for a flight which, in a single-engined aeroplane unequipped with radio, must remain an adventure even when the sun shines and the air is calm. Eighteen hundred miles of open sea separate Ireland from Newfoundland along the route she followed. She flew through storm after storm. Head winds held her back, and forced up her fuel consumption. She was obliged to fly low instead of at the more economical heights several thousand feet up, and again fuel consumption climbed.

Finally, after passing over a fog-shrouded Newfoundland, Mrs. Markham, with fuel at the point of exhaustion, made a heavy landing in an edgewise clearing at Baleine, on the north-east shore of Cape Breton Island. She had pulled off a 500-to-1 chance. In doing so she accomplished the first westward solo crossing of the North Atlantic by a woman, and set a new world "record" for the longest feminine solo non-stop flight. In all she flew about 2,700 miles from Abingdon, England.

MAGNIFICENT EFFORT
Her flight was magnificent, but in 1936 it is not aviation. North Atlantic waters will not thus be conquered for the airmail and the passenger plane. Yet the courage of the pilot, the skill with which she kept a perfect course across the ocean in spite of appalling storms, and the determination that kept her going on when still within easy range of Ireland and a safe return, compel admiration. Once again, too, a pilot has shown how the modern British light aeroplane and its engine will respond to the most extreme demands.

NINTH SUCCESS
Mrs. Markham's aeroplane is a Percival Vega Gull cabin monoplane which normally seats four. For her flight extra fuel tanks were installed in the fuselage. The craft was exactly the same as the standard machine sold with full equipment, for £2,550. Its engine is a de Havilland Gipsy Six 200 h.p. 6-cylinder, air-cooled unit. Mrs. Markham's flight is the ninth successful transatlantic flight made by Gipsy engines.

"LIBELED LADY"

Jean Harlow, William Powell, Myrna Loy, Spencer Tracy—all in one picture! There's a collection of outstanding film names, each of which is capable of ruling a motion picture cast in his and her own right. Only once in a movie moon is such a stellar aggregation of stars gathered together for one production. Metro-Goldwyn Mayer has assembled them for its production of "Libeled Lady," the new season "special" which is showing at the King's Theatre to-day.

The story presents not only a cross-tangle of emotional conflicts upon the part of its four foreful protagonists but also reveals a new angle on the newspaper story. Its author is Wallace Sullivan, one-time Chicago star reporter. Its screen play is the work of three prominent writers, Maurine Watkins, Howard Emmett Rogers and George Oppenheimer. Its director is Jack Conway.

"DANIEL BOONE"

"Daniel Boone," now showing at the Alhambra Theatre, is not only an exciting and clean romantic adventure, but it is a splendid chapter taken right out of early American history, as well. With George O'Brien splendidly portraying the great American pioneer, through whose efforts, chiefly, what is now Kentucky was cut out of the wilderness and wrested from hostile Indians, this film does more to convey what our forefathers went through than all the history lessons learned at school.

The picture deals with one of the most heroic accomplishments in the life of Boone, the great frontiersman, who adventured in wild country which now is divided into several of our middle-American states.

A strong love interest marks the story, with Heather Angel in the leading feminine role. Hohn Caradine, as a renegade white who instigates the Indian attack, is a forceful figure. Prominent in the cast are Ralph Forbes, Huntley Gordon, Crawford Kent and others.

KIDDIES' PARTY

A very enjoyable afternoon was spent at the China Fleet Club on Saturday when the Children's Christmas and New Year's sports and Christmas Tree party, organized by the Dockyard Recreation Club was held and attended by over 100 children and their parents.

Messrs. Phillips, Puddicombe and Scrimshaw delighted the children as clowns and the prizes were distributed by Mrs. Sedgwick, wife of Rear-Admiral C. G. Sedgwick.

Among those present were Engineer Capt. and Mrs. Dibley, Mr. Hickey and Mr. and Mrs. Liang.

ROTARY CLUB

At the meeting of the Rotary Club to-morrow, Lieutenant-Colonel S. P. Williams, C.I.E., Travelling Secretary of the Royal Empire Society, will speak on the work of the Society.

M.C.C. IN LEAD DIARY OF LOCAL EVENTS

Bright Cricket
At Hobart

Hobart, Jan. 9.

The M.C.C. established a commanding advantage in their first day's play against Tasmania, leading at the close by 179 runs with three wickets in hand.

Tasmania's batsmen were never happy against the M.C.C. bowling and had lost eight wickets before lunch for only 89 runs, and were all out shortly after the resumption, with the score at 104.

Allen's men treated their task somewhat lightheartedly and had passed the Tasmanian total by the tea interval, when they had scored 112 for three wickets.

The close of play score was 233 for 7.

The cricket was bright and delightful to watch, with nearly 400 runs scored during the day.

WYATT PLAYING

Five thousand were present in sunny weather and interest was imparted by the appearance in the side of R. E. S. Wyatt and Duckworth, both of whom have been on the injured list.

Wyatt was out for one and Flashlock made four, but the rest were confident and scored freely against a mediocre attack, obtaining 100 in 85 minutes, and 200 in 131 minutes. Ames is not out with 85, scoring all round the wicket. He has batted for 99 minutes and has hit one six and 10 fours. Fagg completed 60; Worthington 50, Hardstaff 55 and Robins 24.

In Tasmania's knock, Sims, fighting the ball cleverly and making it spin, took 4 for 20 in 7 overs, while Copson had 3 for 17.

WHOLESALE LARCENY OF METER COVERS

Unemployed Sent
To Prison

Wong Hung, 24, unemployed, of no fixed abode, was charged before Mr. J. A. Fraser at the Central Magistracy on Saturday morning with the larceny of a water meter cover from 19, Chung Sau Lane, West, belonging to the P.W.D.; theft of a water meter cover from 358, 258, 359, 361 and 373 Queen's Road Central, 156 and 183, Queen's Road West, 12 and 15, Chung Lane West, 35, Ko Shing St., 4, Wilmer St. 10, Taze Mel Alley, and 9, Sai Woo Lane, all the property of the P.W.D.

He was further charged with the possession of a knife.

Sub-Inspector A. J. Johnson prosecuted for the police.

Inspector Johnson informed his Worship that the total value of the covers was \$56 and the damage done was \$70.

Continuing, Inspector Johnson said that a Chinese detective saw defendant tampering with a water meter cover. Upon questioning, it was found that he was trying to remove it, and he was taken to the police station.

While there, defendant admitted the theft and directed the authorities to the other addresses where the other covers were found.

Mr. Fraser: He has been of some assistance to you, hasn't he?
Inspector Johnson: Yes.

His Worship: You must have known the trouble you were causing by removing these things and you are lucky that you are not charged at the high court.

His Worship sentenced defendant to six months' hard labour.

GOOD LUCK FOR SHANGHAI

Big Share In State
Lottery Prizes

UNEMPLOYED MAN'S
FORTUNE

No. 273525 was the lucky number at the Shanghai Candrome at the December drawing of the National State Lottery. It drew the first prize of \$250,000. Messrs. Dah Yung Co., of Shanghai, general agents for the lottery in six provinces, sent the ticket among thousands of others, to the Wei Lee Yuan ticket shop and it was sold in fractional shares. Two apprentices of the Tung Chang Silk Co. bought one share; a Mr. Lu, of Ningpo Road, bought one share; and a foreign typist, Miss White, working in a foreign company in Yuen Ming Yuen Road, purchased another share. Again, an apprentice of a native bank of Ju Yee Li, Peking Road, had a share. Mr. Chang, of another native bank in Tientsin Road, bought two shares. A Mr. Chen, of the Continental Emporium in Nanking Road, purchased one share and Mr. Shih, of a commercial godown in Honan Road Bridge bought one share. Mr. Chien Chih Hsiang, of Yangtze-poo Road, lived on the humble income of his wife who works in a cotton mill because Mr. Chien was unemployed for the past three years. One day Mr. Chien went to see his friend about a job and returned by way of the Wei Lee Yuan ticket shop and saw a crowd of people buying lottery tickets there, so he bought two shares. Luck came to him at last. Mr. Chien won a share in the first prize and another share was part of the primary approximation prize.

Second Prize

The second prize ticket, No. 184747, was sold by the sales department of Messrs. Dah Yung Co. to the manager of the Sun Au Company, Woosung Road, and resold to a Japanese. The company manager heard to his great regret afterwards that the same ticket he bought and re-sold won a second prize of \$50,000. Five shares in another second prize ticket, No. 253421, were sold by the Ta Lee Yuan ticket shop, Fochow Road, to a Mr. Yang, a visitor from Wushih, and two shares to a Mr. Kung a resident in Bubbling Well Road. Various tickets winning second and third prizes, were sold by the San Lee Chuen Ticket Shop, Nanking Road, San Lee Chuen Sub-Agency, Rue Marcel de L'Est, Ta Mao Hsiang Ticket Shop, Rue Wagner, and Ta Fu Lai Ticket Shop, Rue du Consulat, but being

HEAVY IMPOSITION ON "INFORMER"

Theft Of Radiator
And Petrol Caps

When Ho Chan, 22-year-old unemployed appeared before Mr. J. A. Fraser at the Central Magistracy on Saturday he faced four charges of larceny which occurred on January 8:—(a) larceny of a radiator and a petrol cap from truck No. 3453, which was parked at a vacant lot on Canal Road West; (b) larceny of a radiator cap from car No. 3677 at Wanchai Road; (c) larceny of a radiator cap from car No. 3697 on Sharp Road, West; and the larceny of a petrol cap from truck No. 3237 at Bow-lington Road.

The value of the stolen articles was \$7.

Early on the morning of January 8, defendant was seen by a district watchman who was informed by defendant that he knew where the watchman could lay his hands on a thief who had stolen some radiator caps.

The "thief" Yeung Hing was found to be sleeping nearby and the articles were found close to him. Taken to the police station, the authorities' suspicions were aroused and it was subsequently found that defendant had committed the crimes himself and wished for a reward from the police for the information.

At the police station defendant said that he and Yeung had had a quarrel, but this was denied by Yeung, who had only recently left gaol, and who added that he had never seen defendant before.

Mr. Fraser: This is a very serious matter, more serious than the theft itself. What have you got to say for yourself?

Defendant: I have nothing to say. You realized, of course, the risk you ran of a heavy sentence for such a crime?—I have nothing to say.

His Worship then imposed a sentence of two months' hard labour on the first charge and 14 days for each of the other charges, the sentences to run concurrently.

Mr. Fraser also remarked to defendant: "If you think that the sentences are too heavy, you have the right to appeal to a higher court."

DEATH OF OLD RESIDENT

Loss To Indian
Community

MR. A. R. MOOSDEEN

We have to record the death of Mr. Abdool Rahim Moosdeen, one of the oldest members of the local Indian community, which occurred at his residence in Tai Hang in the early hours of Saturday. Mr. Moosdeen, who was 72 years of age, had been in ill-health for a very long time and had been confined to bed for the last 18 months.

Born and educated in Hong Kong, Mr. Moosdeen spent the greater part of his life in Canton but since 1923 he had been living in the Colony and was, for some time, in the employ of Messrs. R. Johnson, until failing health forced him to relinquish his position about five years ago.

Mr. Moosdeen leaves two sons, Messrs. S. and E. Moosdeen and a daughter, Miss Rubiya Moosdeen. There are a number of grandchildren, amongst them being Messrs. F. M. O., and M. el Arculli and A. S. and A. R. Sufiad.

The funeral took place at the Muslim Cemetery on Saturday afternoon when, in addition to the relatives a large number of friends gathered to pay their last respects. The funeral service was conducted by Muvi Noor Shah.

ANNUAL MEETING

The annual general meeting of St. Andrew's Church will be held on Tuesday, January 26, at 8.30 p.m.

sold in dollar shares, space is too limited to mention the names of the prize winners. This time purchasers of tickets in Shanghai alone drew about two-thirds of the total prizes. Such a large proportion has never been drawn locally before.

FATHER SELLS SON

Tale Told In Police
Court

Pleading guilty to the charge of selling his two-year-old son, Ho Yun Hoi to his employer, Ng Fook-Wing for a sum of \$42, Chen Kwai Sang, alias Ho Yung, 30, grass cutter, was sentenced to six months' imprisonment when he appeared before Mr. Q. A. A. Macfadyen at the Kowloon Magistracy last Saturday.

The outline of the case was that defendant happened to know that Ng Fook-Wing lost his own son sometime ago, and he offered to sell his son to him provided he would be given employment by Ng.

THEFT FROM SHIP

Chinese Admits
Charges

Sentences totalling six months' hard labour were passed on Chan Yui-chi at the Kowloon Magistracy on Saturday when he pleaded guilty, before Mr. E. Himsforth, to charges of larceny of a mantle-piece clock from a Sirdana last Thursday and returning to the Colony before his term of banishment had expired.

Detective-Sergeant Haynes told the Court that a report was made to the Police by an officer of the liner and the defendant, was arrested on information received. He confessed that he sold the clock for \$1.40 to Tsang Han who pleaded not guilty to the charge of receiving stolen property. He was remanded until this morning for further enquiries.

SPORT FLASHES FROM FIELD AND PAVILION

Notes From Everywhere

BY BEN MADIGAN

Lee Wai Tong made a dramatic appearance in South China "A's" League side against St Joseph's on Sunday last—but could not prevent the College team from providing us with still another shock. The game proved a thriller, with St Joseph's just holding out to the final blast. I thought a draw would have been a more fitting result. Lee Wai Tong showed he had lost none of his old brilliance considering his long absence, and was the brainiest player on the field. I noticed the St Joseph's team posing for a photograph prior to the kick-off—I wonder if this was a lucky omen?

CAN THEY DO IT?

Can South China "A's" equal the feat of Chinese Athletic by winning the League Championship for the third year in succession? They let a grand opportunity slip by losing to Kowloon and then came the St Joseph's shock. They are still in the reckoning but can't afford to drop any more points like those. Rifles just scraped through against Athletic; and altogether the form shown by the top teams is far from convincing.

FUSILIERS MISS CHANCES

R.W. Fusiliers should have enjoyed a comfortable victory over South China "B" last week-end. In my opinion there seems to be a weakness at forward, which must be strengthened up if the Fusiliers are to be serious contenders for the Championship. After witnessing the game my prophecy of a Rifles-South China "A" finish is enhanced 100 per cent.

HUSSAN'S DISPLAY

St Joseph's owe a lot to Hussan, their pivot, for their sensational victory over South China "A". He gave a heroic display and is the finest attacking centre half I have seen this season.

SUCCESSFUL COMPETITION

I see the final stage of the Army Football League has been fought out—H.Q. Wing, E. Lanes, being the winners. This competition has been a decided success, being the means of bringing quite a few players to the front who otherwise might still be unknown to us. It has proved a rare hunting ground for budding youngsters who, in time should develop into Regimental players.

A PRESENTATION

A local sportsman has given me a football, already autographed by players of both China "A" and "B" teams and wishes it to be presented to the leading goalscorer in Boys' Competitive Football this season. I am sure all local "Boys" join me in expressing thanks to this sporting benefactor—whose enthusiastic gesture will induce others to show some interest in these lads.

IT DOESN'T PAY

A certain amount of rough tactics have crept into the game of late—especially in Second and Third Division football, and I am glad to see that the authorities have shown a firm hand in dealing with the situation. The recent case of a Third Division player being suspended for the remainder of the season should serve as an example of the firm hand the authorities intend to use in stamping out unsporting play.

ANGLING FOR A FIGHT

I ran across Graham the Army Flyweight Champion recently, going through his paces in company with some local footballers. He intends making the bantam-weight grade to enable him to get a return fight with Fisher, who beat him in the Inter-Unit Championships.

VERY UNCONVINCING

Recreto have been badly out of the picture this season. With players of the calibre of Gozano, Baltro, Marques, Lastos etc., in their ranks, one is puzzled at their lowly position in the League Table. After seeing them in action I came to the conclusion that their chief weakness lay in the back division and perhaps if a little more punch were added to the forward line, improvement would be rapid. With these faults remedied, Recreto should begin to creep up.

LOSS TO HOCKEY

Owing to the departure of Miss Peters to England, this player was not chosen for the recent Interport Hockey Trial. The selectors no doubt feel the loss of this enterprising player, and particularly members of the C.B.A. All hockey

enthusiasts in the colony join me in wishing Miss Peters bon-voyage—and further triumphs on the hockey field in England.

McKINNEY'S WORTH

McKinney, pivot of the Rifles second team has proved himself the mainstay of a good all-round side. He gets through an enormous amount of work during a game and is the ideal "stopper-type" centre half. The Rifles team would be very much weakened without "Mac in the middle."

A STAR IN THE MAKING

I have watched the progress of Furrow, the Club centre half, with interest and have come to the conclusion that he possesses all the important qualities which are necessary in the perfecting of a good centre half. Height and build are a very important factor in a centre half and Furrow possesses both. His tackling and distribution are almost perfect—and when he improves his headwork, and gains more experience, he will rank with the top notchers.

HAMILTON AMBITIOUS

Hamilton the Colony Mile Champion and marathon runner has started training to stage an attempt to beat his own record time of 33 minutes, 21 seconds, which he established in the Kowloon Marathon Race last year. He also intends competing in the Area Cross Country Run in February, and barring accidents should annex his share of the "silver" on the track this season.

PREFERS TO REMAIN IN COLONY

Cpl Apps, R.A.M.C. who is due to leave the Colony in April, is a first class cricketer, having represented the Army both in Shanghai and Hong Kong. He at present heads the list of Army bowlers—and is no mean bat. Apps has expressed his desire to remain in the Colony and obtain employment locally. If this is so, he would prove an acquisition to any local cricket club.

REAR-ADMIRAL FORD

On December 28, the flag of Rear-Admiral W. T. R. Ford, C.B., was hoisted in H.M.S. President, R.N.V.R. drillship at Blackfriars, to signify his return to full pay service for the post of Admiral in Charge, Malta, and Admiral-Superintendent of Malta Dockyard. The flag was struck at sunset, and Rear-Admiral Ford was regarded as on leave of absence until he proceeds to take up his appointment. His passage is being arranged in the s.s. Naldara, leaving London on January 15 and due at Malta on January 24, when he will assume his new duties in succession to Vice-Admiral W. F. French, K.C.B., C.M.G. Rear-Admiral Ford last served in Command of the Australian Squadron, up to April, 1936.

CRUISER STRENGTH

The completion of the Penelope, coupled with the retention of five "C" class cruisers on the active list, brings up the total of British cruisers to 54. This includes four belonging to the Royal Australian Navy. Of the 54 there are 19 which have passed the age limit of 16 years agreed upon at the London Naval Conference of 1930, leaving 35 within the age limit. Of these 35 again, nine are of War design, laid down during the War, but not completed until some time after hostilities ended. The number of cruisers of post-War design is 26.

MINESWEEPERS FOR SINGAPORE

Appointments date from December 24, of several officers to the 2nd Minesweeping Flotilla, now in reserve at Malta, which is to leave in January for Singapore to form a reserve of minesweepers at this base. Commander J. R. N. Taylor, hitherto executive officer of the Hawkins, flagship of the Reserve Fleet, Portsmouth, will join the Flotilla as Senior Officer of the Flotilla. Commanders H. S. Murray-Smith and R. A. E. Edwards, who have just completed the Staff College course, are to join the Flotilla and Bagshot in command respectively. Other appointments include those of Lieut.-Comdr. W. J. C. Robertson to the Derby, T. C. Robinson to the Harrow, and D. G. F. W. McIntyre to the Widnes. The Flotilla will leave Malta about January 25.

NEW STAFF OFFICER

Commander T. M. Smith, whose appointment to H.M.S. Victory has been announced, will take up duty as staff officer (operations and intelligence) to the Commander-in-Chief, Portsmouth, in succession to Commander J. M. Howson. Watson, retired, has been awarded a Greenwich Hospital pension of £50 a year, vacant by the death of Paymaster Commander J. Maxwell, retired, on November 27.

DESTROYER REFIT

The destroyer Whitehall, which was placed in dockyard control at Chatham in October, will be taken in hand for a refitting refit on January 18. The Whitehall, which was completed in 1924, returned last summer from duty with the 1st Flotilla in the Mediterranean.

"SAVE SINGAPORE FOR THE BRITISH"

Further Safeguarding Of Interests In Far East

INROADS BY FOREIGN NATIONS

"Save Singapore for the British" is a good slogan when it is time for action, and the time for further safeguarding of British interests in Singapore and all the Far East is at hand again. Sir Stamford Raffles was the first to grasp the full meaning of the slogan. To him Britain owes her gateway to the Pacific; 100 years after him the Base was begun so that the prize won for Britain should not be lost through force.

Now Government and commerce have realized that while millions are being spent on docks and aerodromes, guns and bombers, trade penetration, for the present at least, is the real danger to British interests there.

There is need for constant emphasis on the inroads made by foreign nations into British shipping and trade in the Far East. The Governor of the Straits Settlements, Sir Shenton Thomas, at a recent meeting of the Legislative Council supplied such emphasis when he said that the long established trade of the Colony was being disturbed by new methods and directed into new channels, and wondered whether the inability to cope with this was not due to too rigid adherence to long established practice. He had received deputations from British shipping and trade interests, but Government felt that it could not act on its own initiative.

Japanese Inroads

The prosperity of the Colony was built upon the freedom of its ports, Singapore, Penang, and Malacca, but in the last two or three years foreign competition has given matters a very different turn. In spite of tariffs or Imperial preferences the hold obtained by foreign nations in shipping and banking has made local directors of British companies rub their eyes in wonder. The Japanese have made by far the biggest inroads. Conditions governing the shipment of rubber from Malaya to the United States illustrate what has happened. Freight rates are controlled by the Straits-New York Conference, of which all major shipping lines are members. Not all members are traders as well as shippers, and the Japanese extend the combination further, making connexions between producers of rubber, buyers and brokers, shippers, firms who insure the shipments, and bankers who finance the transaction. By this means they are able to quote about half a farthing a lb. higher for the purchase of rubber in the Colony and to offer the rubber for sale in New York in a competitively favourable position.

There is no violation of the Conference agreement regarding the rate of freight to be charged, but since that freight charge is merely a book entry as between carriers and traders who are one organization operating through two or more associated companies the advantage is obvious. The British trader has to pay the full freight rates himself, with no advantage as a result of spreading the burden over a combination of trader and carrier. Though the Japanese do not produce more than a fraction of the rubber sent to New York, their ships carry about 40 per cent. of the output, and about as much again is waiting to go in Japanese bottoms as soon as new ships have been built. The same is almost as great a degree is true of tin and produce; the result is a concentration in the hands of Japanese traders of bills for sale. These traders submit their bills for discount by Japanese bankers. British banks have lost almost the whole of this business, and their rivals are not handicapped by any legislative discrimination.

Subsidized Shipping

The traffic to Europe in British bottoms has not been affected to the same extent, but as the Japanese build more ships they will attempt to extend their influence to that route too. In this field German and Dutch interests have already prospered. During the first six months of last year the tonnage of German merchant vessels arriving at and departing from Singapore increased by 125,876 tons over the same period of the previous year, and the Dutch tonnage by 89,552 tons. The Japanese increase was 87,150 tons. British tonnage showed a decrease of 295,848 tons, far bigger than that of any other nation except Italy, whose tonnage, under the stress of "sanctions," declined 124,374 tons. The total tonnage for the period for all nations was about 15,000,000, about 258,000 less than the same period last year.

During these six months the total tonnage at all Malayan ports showed that the British share was 33 per cent.; 23 per cent. was Dutch, for the Dutch have a big coasting trade to their neighbouring empire, 18 per cent. Japanese, and 26 per cent. other nations. Britain has the greatest share of shipping plying to and from her Colony, but she is being hard pushed to defend it. The order for 10 new ships for the Far Eastern run placed by the Blue Funnel Line is a step in the right direction.

Curbing Competition

Before the Governor's speech at the Legislative Council meeting it was widely assumed that at the meeting legislation would be introduced aiming at curbing the inroads of foreign rivals. The Government's reply was that business interests must act first. British merchants, shippers, and bankers should sink differences and overcome desire for greater profit and act in concert for the long-term benefit. Temporary sacrifices would nullify the Japanese practice of overbidding in commodity markets. The temptation of a slightly higher price in rubber, for example, should be resisted and dealings confined to British concerns.

There is a danger now of hesitancy preceding initiative and unified action. The psychological difficulties to be overcome are alone tremendous. Many rubber estates will possibly be slow to put patriotism before a higher price for their product, and if there is to be a merging of associations on the lines of the Japanese system many of the revered threads of British practice, a natural competition, and independence must be unwound and discarded. A new pattern must be weaved, one not of such enduring quality perhaps, but one that is adaptable to quick change, for changes there will be in plenty in the intensified struggle for trade in the Far East.

CANTON STUDENTS ON VISIT

At noon yesterday, a party of over eighty students of the Engineering Faculty of the Chung Shan University of Canton arrived in the Colony by train, to tour the place and make an inspection of the leading engineering establishments and important construction works of the Colony.

The party of students is under the leadership of Messrs. Chang Kung-yat, Chiu Loong-kwong, Chan Fan-woon and Chan Chui-wo, teachers of the University, and it is expected that the visit will greatly add to their knowledge and experience, and be of considerable educational value.

The party will remain in the Colony for three days, and then return to Canton.—Chinese Evening Press.

SIANFU FLARES
UP AGAIN

(Continued from Page 1)

General Yang Hu Chen has telegraphed to the War Minister, General Ho Ying-chin, that indignation is rampant in Shensi over the "insincerity" of the Government detaining Marshal Chang Hsueh-liang despite the pardon.

BANDITS RECRUITED

Nanking, Jan. 10. The reactionary attitude of Generals Yu Hsueh-chung and Yang Hu-chien, supporters of Chang Hsueh-liang and in command of troops in Shensi and Kansu respectively, was known here several days ago, as "Un-on News" on January 7 reported General Chang Hsueh-liang would again send an emissary to Sianfu to pacify his officers.

Though deprived of his position as Shensi pacification commissioner, General Yang Hu-chien has opposed Mr. Sun Wei-ju as the new chairman of the Shensi Provincial Government.

Miao Tse-tung, the notorious Communist leader, is in Sianfu with General Yang Hu-chien, who is also recruiting bandits to swell his mercenary army. Yang is renewing the political cry of fighting the Japanese.

BRITISH RESIDENTS
IN SHENSIComplete Evacuation
Recommended

Peking, Jan. 9. Mr. Lovat Fraser, the British military attaché, is flying to Loyang to-morrow in connection with the safety of British residents in Shensi.

It is understood that Captain Ronald Scott, the assistant attaché, who is at present in Sianfu, recommends immediate evacuation, which will probably be carried out by air.

At the present there are nearly 40 Britons in Shensi and Kansu, including nearly 30 in Sian, about 20 in Lanchow.

The American assistant military attaché, D. D. Barrett, has gone to Loyang on the same mission as regards American residents, of which there are approximately 30 in Shensi and 50 in Kansu.

Vox Humana

A recent extract from "The Times" of a hundred years ago contained a pleasant reminder that it is sometimes expedient to temper godliness with worldliness.

A clergyman, wishing to hire a chapel, thoughtfully announced, not only that his religious opinions were sound, but also that he had a strong voice.

He was wise in his generation. A gospel that cannot be heard is not likely to bring conviction or comfort. The dumb oracle cannot hope to compete with its rival's "hideous hum." Nothing is more irritating than to believe that something good is being said and yet not to be able to hear a word. It is the great tragedy of deafness.

Parliamentary reporters, and other reporters too, are frequent victims of the mumbler. The limit of revenge that the poor things can permit themselves is to say that Mr. So-and-So was indistinctly heard, rather as if the defect were in them and not in him. At the other extreme come the lungs of leather and the throat of brass, bewildering and confounding by the sheer violence of vocal impact.

It is by no means always safe to assume that there is nothing behind the resounding voice. Achilles was terrific when he shouted from the wall, but he was even more deadly in the field.

The politician is on record who reminded his interrupters that he had one signal advantage over them in discussing the question at issue. "A voice like a foghorn," came the ready interjection. But Stentor had wits as well as words. "That makes two," he retorted, and blandly explained that the other was knowledge of the subject.

There is a moving quality in the human voice that defies analysis. In speaking, and even more in singing, its effect can be overwhelming. A beautiful voice is one of the most precious natural gifts.

It is quite possible to fall in love with a disembodied voice. Many of us know telephone voices which we delight in hearing.

Wireless announcers could probably tell great stories of the fascination which may be exercised by the voice of one unseen and unknown. Radio transmission now enables even the humblest of us to be moved to ecstasy or tears by the voices of world-famous speakers and singers. Science is taking more and more account of this power, and is paying more and more attention to the supreme need for clear audition.

Many a beautiful old church, many a noble hall, is marred by bad acoustics. The orator who tries to overcome the handicap by raising his voice only awakens louder and more confusing

PAMELA WERNER
MURDERED?Membership Card
Provides ClueSHOCKING OUTRAGE
IN PEIPING

Peiping, Jan. 9. Amusement and horror have been aroused throughout the foreign community of Peiping by the tragic death of Pamela Werner. Pamela was only nineteen years of age and was the only daughter of Mr. E. T. C. Werner, formerly British Consul in Foochow.

The girl's body was found yesterday morning only about 250 yards from her home, which is in one of the loneliest parts of the city, near the German cemetery.

WENT OUT CYCLING

At 6 p.m. on Thursday evening, Pamela, who was a child in her ways, cycled into the Legation Quarter and enjoyed an hour's skating on the ice with a number of friends.

At 7 p.m. she mounted her bicycle to ride to her home which was approximately a mile away and she was never again seen alive.

Her body was found lying in a wide ditch at the foot of the towering fifty-feet high city walls.

Mr. Werner, who is a man of 72, was faced with the ghastly task of endeavouring to identify the horrifying mutilated corpse.

Investigations are proceeding, but there is little indication of a definite line of enquiry. The body has been taken to the Rockefeller Hospital for examination to ascertain the cause of death.

Clues in the Werner tragedy definitely point to a shocking murder. A blood bespattered card found near the body leads to that conclusion. It was a membership card of the French Club skating rink, where Pamela was last seen alive and it is understood that the medical evidence at the inquest, which has not yet been fixed, will state that the blood was on the card before death, indicating that Miss Werner was attacked.

The post-mortem examination was completed just before noon today, but the findings will not be made available until the inquest.

It is reliably learned, however, that Pamela died as the result of a fractured skull resulting from a heavy blow.

Reuter.

FATHER'S ORDEAL

Peiping, Jan. 9. At the inquest held on Miss Pamela Werner, her aged father, white-haired and bent, told the Coroner in a broken voice how after a night of fruitless enquiry for his daughter, he had walked out at eleven on Friday morning along the city wall and saw a crowd and then the ghastly corpse.

He had then fainted and later identified the torn skirt which was found near the body as belonging to his daughter Pamela, whom he last saw alive at 3.30 p.m. on Thursday, when she told him that she was going to tea with a school friend, and later on to skating.

He identified the wrist-watch found on the body as Pamela's, whose age he gave as 19 years and 11 months.

No medical evidence was given and the enquiry was adjourned until next week.

echoes: The artful speaker tries to find the pillar or the wall to which he can direct his ordinary voice with the best chance of being generally heard. These difficulties and the determination of modern architecture to triumph over them have their moral for private life and the ordinary man.

Indistinctness of utterance, due not to physical defect but to mere carelessness or sloth, is as much of a discourtesy to one's fellows as every other form of selfishness. A painfully precise and obviously self-conscious enunciation would of course be sheer affectation, and would rightly incur parody and ridicule.

The golden mean, if not quite the golden voice of the incorporeal Tim, can be found if the guiding thought is always to say what we have to say in such a manner as to give a minimum of trouble to those who hear us.

MACAO RACE
MEETING

(Continued from Page 1)

The most successful jockey was Mr. S. C. Liang who scored two wins and a second in five outings. Incidentally, Mr. Liang was also responsible for the biggest dividend of the day, paying \$37.50 on Rothery Bay in the Lok Chang Handicap over a mile.

NANCHANG HANDICAP

The opening race of the day, the Nanchang Handicap over one mile, attracted six starters, Laughing Buddha, with Mr. Norman Deltz up, being made the favourite. The field was sent off to a good start and Pride of Taingtao, Mr. Y. T. Fung up, went into the lead, followed by Laughing Buddha and Cavalcade, the rest of the field, Plain View, Gold Sovereign and Miracle following in the order named.

The same order was maintained until the last quarter was reached and it was at this point that Gold Sovereign ran strongly up from fourth position to finish with half-a-length to spare, Plain View in the meantime passing the favourite who had to be content with third place.

FAVOURITE WINS

Chocolate, the favourite, with Mr. S. C. Liang on the saddle, fulfilled expectations in the Wen Chang Handicap over a distance of five furlongs, when it beat Shih Yin Grand by five lengths. Seven ponies faced the starter and as soon as the flag went down Mr. Liang sent his mount into the lead which it maintained till the post was passed. Shih Yin Grand was running so well for the first half of the race that it looked, at one time, that this pony will just about do it but the favourite held on to its lead which it increased considerably in the last two hundred yards. Shih Yin Grand (Mr. Ip Kui Ying) was second and Gold Reserve (Mr. N. Deltz) third.

OUTSIDE SUCCESSFUL

Mr. S. C. Liang scored his second successive win of the day when he brought Rothery Bay first past the post in the Lok Chang Handicap, a race over one mile, to pay the biggest dividend of the meeting, namely \$37.50. Victory Life (Mr. C. Pih), was the favourite and led only by one length, the third pony being Merry Fatty who also commanded a good following.

When the flag went down Merry Doer ran into the lead, followed by Brown Bee, Merry Fatty and Rothery Bay while Newmarket Tip was last. On passing the half-mile post Victory Life moved up nicely, followed by Rothery Bay and the last quarter developed into a stern struggle by these two for first place, the latter showing a good burst of speed in the last hundred yards to make certain of the race.

THE "IDOL" DISAPPOINTS

After his successes in the second and third races, Mr. S. C. Liang, on Copper Idol, was made hot favourite for the fourth race of the day, a six furlong event—the Nanchang Handicap. He did not, however, fulfil expectations, though he only lost to Shanghai 4, under Mr. N. Deltz, by a length.

Ocean View led the field for the first half of the race and was followed by Ballos, Popular Star, Copper Idol with Racing Boy trailing behind. On coming into the home stretch Shanghai 4, which had been right behind, put on an excellent burst of speed and Mr. Norman Deltz was given a well-deserved round of applause when he finished just ahead of the favourite with Emergency Call filling the other minor position.

"SHIH YIN" MAKE AMENDS

Shih Yin Grand, with Mr. Ip Kui-ying on the saddle, made amends for his failure in the second race of the day when it won the Wen Chang Handicap, a "sprint" event over six furlongs, by a neck from Meadow Eve. It was a grand race and the result was in doubt up till the last length.

Meadow Eve took the lead from the commencement and was followed by Leslie Henson while Shih Yin Grand was in the fourth place. With barely two furlongs to go, however, Shih Yin Grand put on a final burst of speed and Mr. Ip won a well deserved race.

EXCELLENT RIDING

The Ladies' Dash, over half-a-mile, provided Miss Nancy Kerrison with a well-deserved win though great credit must be given to Miss Joan Langley who brought a difficult mount into second place.

From the very start it was obvious that the result rested between Paul Jones and the favourite, Boukra, the former just managing to win by a neck. The Goods, with Miss T. Jex on the saddle, was third.

If Gossip We Must

(BY "ONLOOKER")

The very young are in the news this week. First there was small Valerie Gillespie's christening party at her home on the Peak. Needless to say she looked lovely and definitely seemed pleased to see everybody as they gathered round her cot in large numbers. Her three big sisters were all looking very happy and proud, and were entertaining some of their contemporaries, including little Elizabeth Hargreaves.

Then a very cheerful affair, and everybody was congratulating Mr. Baines and his fiancée who had only that morning announced their engagement.

Our hostess, Mrs. Rollo Gillespie was looking her very best in the shade of brown which suits her so well. Mrs. Gillespie from Rothery Bay was a Godmother, and so was Mrs. Withington. They both seemed very happy and proud of the Baby.

Amongst the other guests were Mrs. Kirke, and her daughter Brenda. They have now sailed for home. Mrs. Abbott was there—very attractive in black with a touch of white, and Mrs. Hargreaves looked charming, also in black.

CLARK-MURROW WEDDING

Miss Peggy Murrow's wedding was one of the most important occasions of the week. Somehow all girls look beautiful on their wedding day, but Thursday's Bride was a veritable vision of glowing loveliness and happiness in her gleaming silver lace gown and her exquisite trailing veil—which I am told was four and a half yards long—Her head-dress was of the most unusual design—rather Russian as to line, and made of silver flecked ostrich feathers.

Her bouquet was a lovely huge spray of sweetpeas—so light and ethereal it was—a perfect finishing touch to the very charming appearance of the wearer.

The two small attendants were Miss Eve Anne Hayter and Master Anthony Bishop—both of exquisite behaviour and most attractive appearance. The little girl wore a long pink taffeta picture dress, and the little boy an appropriate sailor suit.

It always seems such a shame that all the attention goes to the Bride and possibly a modicum to her attendants, and nobody mentions the Bridegroom or the long suffering Best Man or even the Giver-Away. Well, all those important roles were most worthily filled on Thursday. Never was there a happier Bridegroom, a prouder Father, or a more capable Best-man (Lt. A. W. Stewart), and everything went off as smoothly and cheerfully as Naval Weddings always do.

Mrs. Betty Moore was among the many guests who attended the wedding of Miss Peggy Murrow and Lieut. R. H. S. Clark, R.N., last week.

After the Cathedral Service, we were all waited in the wake of the Bride couple to the Medway, the scene of so many happy parties of all sorts. The vast wardrobe easily accommodated all the guests, and seemed the natural setting for a real nautical wedding party. Amongst the guests I saw Captain and Mrs. Coltart, the latter charming in black. Captain Coltart proposed the health of the bride in a few happily chosen words, and I think the bridegroom's reply was one of the nicest efforts in that line I have ever heard. It, also, was pleasantly brief.

To return to guests: it was nice to see Mrs. Croucher back again from her holiday in Europe. She was wearing an attractive shade of violet under a lovely fur coat. Talking of fur coats how we envy the brown squirrel owned by Mrs. Abbott who was there with her husband and young daughter, Paul.

The dominant fashion note of the day seemed to be furs and snappy hats. Never was there such a season for snappy headgear, and local "Lovelies" have a knack

of selecting dazzling examples. Mrs. Cyrel Brown sported a delicious black affair with a tricky eye-veil. Mrs. Cavanagh-Mainwaring also wore black with her usual success. Then somebody wore a delicious hat of poke bonnet persuasion, but I can't remember who it was. Mrs. Jenks looked wonderful in a black suit with a ravishing cherry coloured chiffon blouse.

Those very important people—the mothers of the bridesmaid and page—looked charming, as was to be expected, and Mrs. Bishop wore a black ostrich feather in her smart hat. Mrs. Waldon, Mrs. Paddfield, and Mrs. Campbell supplied a lovely dash of colour with their pinks and blues, and I loved Mrs. Reg's dark green turn out. Mr. and Mrs. Stafford Smith were their usual cheerful selves, and it is nice to see Mr. and Mrs. Womack back in the Colony again, the latter after a very long spell of England.

The bridal cake was a splendid affair, surmounted by a fine sugar model of the Bridegroom's submarine. At one moment I saw the two little attendants very busy with it, and Master Anthony was gallantly, and very earnestly, helping his partner to sugary titbits, and incidentally enjoying some himself.

All too soon the "Going Away" moment arrived, and we all flocked to the Quarter-Deck to see "The Principles" off for their honeymoon. Never was there such a radiant couple, and Peggy had chosen the light blue which suits her admirably, and the sweet pea spray against her dark fur cape was devastatingly becoming.

Well, another of our "Young Lovelies" married! Soon there won't be any "unmarrieds." As long as they stay in the Colony we don't mind, but so many of them depart from our midst altogether, and we are left lamenting!

SCHOOLS IN!

School holidays are over, the last hectic packing is finished, and the children who go to schools in the North are somewhat on the high seas by now. Mr. Inge, the headmaster of St. Giles, Taingtau, who brought his Hong Kong pupils down himself for Xmas departed with his flock on Friday. Four boys and one girl said good-bye to their fond parents with marked cheerfulness, and one realised anew that it is really only the parents who mind these partings, and perhaps the young brothers and sisters and bosom pals who are left behind. Paul Abbott the only girl in the party had got a new camera which she was making full use of—all the time; and Peter North, David Ride, Derek Berg, and Collum Bordon were all thrilled with looking over their ship, and greeting their popular master.

ALLEGED GERMAN ACTIVITY IN SPANISH MOROCCO

POWERS SEEK AGREEMENT

Italo-German Replies Under Examination

London, Jan. 9.
The Prime Minister before leaving London for Sandringham, where he is spending the weekend with the King and Queen, presided over another meeting of Ministers at which consideration of the Spanish situation with particular reference to efforts to put an end to foreign interference in the conflict was resumed. It is not anticipated that a full meeting of the Cabinet will be held before next Wednesday, by which date practically all its members will have returned to London.

Meanwhile, the replies of the German and Italian Governments to the Anglo-French proposals continue to receive careful study. This further examination has served to strengthen the view that the prospects of effective non-intervention is brought nearer.

The conditions attached to the Italian and German acceptance proposals are not regarded as raising insuperable difficulties. Instances that agreement must be general and accompanied by effective control is regarded as self-evident. These conditions are implicit in the proposals put forward by Britain and France.

A further condition that such agreement must be rapidly followed by agreement prohibiting other forms of indirect intervention raised greater difficulties, but it is entirely in accordance with the British attitude that it is in the interest of Spain and of the world generally that all forms of intervention should be discontinued.

The notes state that the German and Italian representatives on the London Non-Intervention Committee are being instructed to conduct negotiations on the basis outlined in their replies.

PRESS COMMENT

The "Times" says there should be no delay in submitting to the Committee a draft of the scheme for effective control of all points of access into Spanish territory. It adds that Great Britain, which occupies a position of greater detachment than any other country with regard to this conflict may well be expected to take the lead especially since, just on account of this detachment, London has been made a seat of the Non-Intervention Committee. In a case like the present the bolder lead that is given the more likely it is to be accepted and to be effective.—*British Wireless.*

ARABS AGAINST ZIONIST POLICY

Request For National Government

Jerusalem, Jan. 9.
It is understood that the Arab case to be presented to the Royal Commission argues that it is impossible to remedy the Arab grievances under the terms of the present mandate, and urges the British Government to abandon completely the Zionist policy and introduce a National Government. It is officially announced that the Royal Commission will not be leaving Palestine until the Arab case is presented for their consideration.—*Reuter.*

GAOL-BREAK IN TSITSIHAR

Fugitives Caught And Executed

Tokyo, Jan. 9.
Lifting of the Japanese press ban at Tsitsihar has disclosed a sensational gaol-break on New Year's Eve when, with the connivance of certain Manchukuoan gendarmes, 193 prisoners in the military gaol suddenly rose and captured three warders.

They armed themselves with 22 rifles and made off, escaping to the countryside, where the local Japanese and Manchukuoan troops and police rounded up 65 by the afternoon of January 5.

Fifty-two of these, including the ringleader, were executed by a firing squad.—*Reuter.*

Growing Dangers Of International Complications

London Committee To Introduce Entirely New Control Plan

London, January 9.
Unusual Saturday official activity was in evidence to-day with a meeting of ministers and diplomatic visits believed to portend a fresh British initiative to circumvent the growing dangers of international complications in Spain. Diplomatic correspondents foreshadow that Lord Plymouth will introduce a new plan at Tuesday's meeting of the Non-Intervention Committee to abandon the existing methods of control and substitute a comprehensive plan including clauses dealing with air transport and volunteers.

The atmosphere is embittered by attacks and counter-attacks in the French and German press regarding alleged German activities in Spanish Morocco, while naval activity is reported to be increasing on the Spanish coast. Two Spanish steamers, the Villa de Madrid and Cinda de Barcelona, narrowly escaped torpedoing. The Norwegian ship Ibs mentioned earlier was released from Algeiras.

Meanwhile Berlin correspondents to Paris newspapers report acute differences of opinion between Chancellor Hitler and the naval and military authorities. They assert that General von Blomberg and General von Fritsch, Commander-in-Chief, have earned the Fuehrer's displeasure by opposing projects to assist General Franco, the Spanish insurgent leader.—*Reuter.*

OFFICIAL DENIAL FROM GERMANY

No Troops In Spain Or Spanish Morocco

Berlin, Jan. 9.
The first official denial that there were any German troops in Spain or Spanish Morocco was contained in a statement issued by a German news agency which states that in view of the reports published abroad regarding alleged German penetration in Spanish Morocco, the agency was authorised to say that there are no German troops in Spain or Spanish Morocco.

Political circles describe the reports as a renewed effort to poison international relations and the product of over-excited imagination.

A new note was struck by the official "Diplomatic Correspondence" which, contrary to previous German suggestions that the troubles in Spain were the result of the work of international Bolsheviks, now refers to the dispute as a civil war, and urges that the only way the Spanish tragedy can be concluded is by returning to the natural starting point, namely recognition of the Spanish war as a purely internal affair of the Spanish people.—*Reuter.*

MEXICAN ARMS BAN TO SPAIN

Assurances Given To U.S. Government

Washington, Jan. 9.
The United States Government has received renewed assurances from the Mexican Government that no war material of American origin would be permitted to leave Mexico for Spain, according to Mr. Walton Moore, acting Secretary of State.—*Reuter.*

U.S. LICENCES

Washington, Jan. 8.
Immediately President F. D. Roosevelt signed the arms embargo resolution, the machinery was set in motion to prevent further shipments of war material to Spain.

Licences granted to Mr. Richard Dinley to export £200,000 worth of arms have been revoked by the Munitions Control Board and the unused licences issued to Mr. Robert Cuse, in New York, have been cancelled.—*Reuter.*

FRONTIER TOWN BOMBARDED

Paris, January 8.
Two nationalist cruisers bombarded the frontier towns, Port Bon and Cullera, on the Catalan coast on Friday morning, according to press reports here which add that it could be clearly observed from the French side of the frontier how about forty shells, fired by the warships, exploded after hitting their targets.

The docks and railway stations of the two towns are stated to have suffered considerable damage from the bombardment but the exact extent of the damage, as well as the number of victims, is not yet known since the red authorities at once closed the frontier to all traffic.—*Transocean News Service.*

GERMAN PRESS COMMENT

Non-Intervention In Spanish Conflict

Berlin, Jan. 8.
Commenting on the Reichs government's reply to the Franco-British Note relating to the question of the participation of foreign volunteers in Spain, the semi-official "Deutsche Diplomatische Politische Correspondent" states with satisfaction that the complicated situation has at last been clarified by the German reply which it says "shows definite ways and means for obtaining the aims of the policy of non-intervention."

After recalling the fact that the importance of the problem of participation of foreign volunteers has been recognized from the very start by Germany and Italy, while the other powers failed to see its significance and consequently rejected the German-Italian proposals that no passports should be issued to anyone wishing to join the Spanish belligerents, the semi-official organ continues as follows:

Germany, however, is still willing to support all measures which can prevent foreign interference in Spain and can turn the local affair into an international conflict. There is no doubt that this is much more difficult to-day than it was in the early stages of the conflict, since the problem of to-day is not only to eliminate the possibility of future intervention by closing the gaps of the non-intervention agreement of fighting in Spain to that of an internal conflict.

OTHER PROHIBITIONS

The question of the participation of foreign volunteers, which was raised by Britain and France is, therefore, only a part of the problem. It will not suffice to prevent the influx of volunteers into Spain, but other forms of intervention, particularly the delivery of war material and financial assistance, must likewise be prohibited. The question of illegal exportation of Spanish gold by the reds must likewise be examined. Mere promises are not sufficient as such will hardly be considered more binding in future by certain states than it was the case in the past.

It is only logical therefore, that the German reply demands such a serious aspect that even the establishment of such a control will no longer be sufficient.

The principle of complete non-intervention demands also effective elimination of foreign agitators who have already gained great influence in Spain. The problem of the non-intervention thus has assumed an entirely new aspect, namely: not only the prevention of delivery of arms and the influx of volunteers, but also the internationalisation of Spain. If this is not done, the application of the policy of non-intervention would in effect, be not neutrality but support of the reds who in the past have constantly been supplied with war material from abroad. Much time has been wasted already and considerable harm has been done which might easily have been avoided if from the outset other powers had adopted a similar clear attitude as Germany and Italy.

MENACE TO FRENCH DEFENCE SYSTEM

Grave View Of German Infiltration

Paris, Jan. 9.
The situation regarding German infiltration to Spanish Morocco is described in authoritative French circles to-night as very grave. Berlin denials of the existence of German troops in Morocco has added to the general apprehension.

It is emphasised that German influence in this zone constitutes a serious menace to the French defence system which is based on open communications in North Africa and is a matter quite apart from the Spanish civil war.

The French Government is working in close contact with the British Government in the matter, which is a source of great satisfaction to France.—*Reuter.*

CZECH STATE CONDITIONS

German Press Comment Causes Surprise

London, Jan. 8.
The reproduction in English newspapers of recent comment appearing in the German press regarding alleged conditions in Czechoslovakia has caused both surprise and misgiving here.

Extracts from the German newspaper contain highly coloured accounts of extensive Russian influence in the Czech State and repetitions of rumours which more than once have been authoritatively denied in Prague. The character of the information used in the German press comment is too far at variance with the facts of the Czech situation as they are accepted in this country and generally throughout Europe, that the publicity given to them in a neighbouring and friendly State has created a most unhappy impression on the English mind.

Enquiries in authoritative British quarters to-day elicited a statement that the views cited from the German press were not in accordance with those held among well-informed observers in London.—*British Wireless.*

Two British subjects were injured in the Embassy annex. The house opposite the Embassy in which are flats of British consular officers were also hit.

The British Ambassador at Madrid, Sir Henry Chilton, has been instructed to address a vigorous protest to the insurgent authorities at Salamanca against this apparently deliberate violation of the safety zone which they had undertaken to respect.—*British Wireless.*

The Embassy is at present under only for the distribution of food. Incendiary bombs also fell in other parts of the city, all of them within the so-called neutral zone.—*Reuter.*

WORLD TITLE FIGHT

Anti-Nazi League Boycott

New York, Jan. 9.
The powerful organisation of the non-secretarian anti-Nazi League announces that it intends to boycott the Braddock-Schmeling fight on June 3. The President said that the League is opposed to German commodities and that Schmeling is one of those trying to keep American money out of Germany.

There is a statement in the press that Schmeling may beat Braddock and then be used by Herr Hitler to bolster the theory of Aryan supremacy. The organisation will do everything in its power to prevent the fight taking place and picket every ticket office.

The Madison Square Garden authorities expressed determination to hold the contest and, if necessary, transfer the fight to the Soldiers' Field, Chicago.—*Reuter.*

Shanghai, Jan. 10.
Mr. Yakichiro Suma, currently first secretary of the Japanese embassy and Japanese consul general in Nanking, is instructed by the Tokyo Foreign Office to leave for Washington as counsellor. News of Mr. Suma's transfer and promotion was received here last night.

Formerly consul general in Canton, Mr. Suma is transferred to Washington because of his fluent mastery of the English language and his ability in conducting official publicity, as Japanese Ambassador Hiroshi Saito in Washington reported that a good press for the Japanese cause in the United States is desirable.

In view of the impending departure of Mr. Suma for America, Japanese Ambassador Shigeru Kawaguchi will return to Nanking from Shanghai on Monday or Tuesday.—*Union News.*

STEELE RETAINS TITLE

"GORILLA" JONES GAME LOSER

Thrilling Battle

Freddie Steele, middleweight champion of the world, retained his title at Milwaukee on New Year's night by scoring a convincing decision over "Gorilla" Jones, Akron negro, in a ten-round bout which gave the spectators plenty of action from start to finish.

The champion was master of the negro at every stage of the fight, easily smashing the defence of the "Gorilla", with vicious flurries in every round. The former N.B.A. champion took a bad beating but proved game. Steele dropped him to the canvas for a count of three in the seventh round, but Jones finished the round and managed to stave off the threat of a knockout for the remainder of the bout.

Weight Advantage
Steele was in fine condition, and entered the ring with a four pound weight advantage over the negro. He tipped the beam at 157 lb. while Jones weighed in at 153 lb. Prior to the fight the champion was an 8-5 favourite, the odds not reflecting the heavy advantage which Steele demonstrated over the challenger. The contest was the third between the two men. In their first meeting, in 1934, they fought to a draw in ten rounds at Seattle. Again meeting at Seattle the following year, Steele won in ten rounds.

IN CLOSE TUSSEEAST LANCS. LOSE LAST MATCH
IN COLONY

A feature of the week-end programme of League football matches was the meeting of South China "A" and the East Lancashire at Sookunpoo yesterday afternoon. It was the military team's farewell match in the Colony and they lost by five goals to two after a splendid encounter. The Chinese team, led by the redoubtable Lee Wai Tong, played inspired football.

At Caroline Hill a close match was witnessed between the Chinese Athletic and St. Joseph's, the former winning by the odd goal in five.

On the Club ground, the Kowloon Chinese and the Eastern shared the spoils each side finding the net once.

The surprise result of Saturday's fixtures was the Police drawing with the Fusiliers on the Kowloon F.C. ground.

LAST LANCS. FINAL
APPEARANCELee Wai Tong's Capital
Performance

(BY "BEN MADIGAN")

The East Lancs made a farewell bow to local football when they opposed South China "A" at Sookunpoo yesterday. As expected the game proved a thrilling one with South China fully deserving their win by 5 goals to 2. The game proved a personal triumph for Lee Wai Tong who completed a capital display by scoring a great goal. For the losers Sanford and Swain deserve mention, both worked very hard and were always prominent.

THE GAME

E. Lancs kicked off and the first incident of note was an overhead kick of "Sandford's" which went narrowly over. Turley then had a try which was saved easily by Pau Ka-ping. At the other end Steele broke up a South China attack in which Lee Wai Tong was prominent. Enchanges were fairly even now, each side attacking in turn.

LAI SHUI WING EXCELS

Lai Shui-wing started a movement when he passed to Lee Wai-tong, who transferred the ball back to him, and he was left an easy task in putting past Swallow. South China exerted great pressure after this goal and Lai Shui-wing forced a corner which was kicked clear by Steele.

LANCS. EQUALISE

E. Lancs now took up the running and Smith tested Pau Ka-ping with a stiff ground, shot. During a scramble in the Chinese goalmouth Sanford was alleged to have been fouled and Ridings drove the spot kick past Pau Ka-ping for the equaliser. E. Lancs continued to press and Sanford sent O'Donnell away on the right, his final cross being headed over by Smith. South China then took up the running and Lai Shui-wing was almost through—Swain conceding a corner in a desperate attempt to clear. The resultant corner was cleared by Steele.

LEE WAI TONG THE SCHEMER

During the now frequent Chinese attacks Lai Shui-wing and Lee Wai-tong combined perfectly, and often had the Lancs defence guessing. The latter had the misfortune to see a great drive from 35 yards out, skim the cross bar, with Swallow helpless. Eventually up Pak-wah forced a corner on the left and scored direct with the kick. It was all South China right up to half time, Lee Wai-tong again missing narrowly with a beautiful drive from fully 40 yards out, Swain and Steele alone standing in the way of further scoring.

SECOND HALF

The second half opened briskly, Wong Mee Shun setting his forwards going with a good pass down the middle, but Sanford, who was acting as an extra half-back, checked Lai Shui Wing's progress. Crowthers was experiencing a little difficulty in trying to "police" Lee Wai Tong, the latter more than once coming out on top. In E. Lancs breakaways their forwards were noticeably weak in finishing, Pau Ka Ping never being extended. However the Lancs equalised when Lee Kwok Wai fouled Sanford rather badly, Ridings again scoring from the spot. On the resumption South China attacked with vigour and a perfect movement between Lai Shui Wing and Lee Wai Tong resulted in

LEE WAI TONG SCORES

Almost immediately after this goal Tso Kwai Shing sent Lee Wai Tong through and he crowned a great afternoon's performance by notching the fourth goal. The same player almost scored again with a terrific drive from 30 yards range. Except for occasional breakaways the Lancs were rarely in the picture, all their efforts being easily frustrated by the Chinese defence. Just before the final whistle the South China inside left put the issue beyond doubt when he drove in a perfect cross from Tso Kwai Shing for South China's fifth goal. The Chinese team fully deserved their win, the losers becoming ragged in the second half and their forwards, with the exception of Sanford and Smith, being poor finishers.

RIFLES DEFEAT
S. CHINA "B"

At Caroline Hill on Saturday, the Royal Ulster Rifles defeated South China "B" in convincing style by 4 goals to 1.

Just prior to the start of the match, rain fell in a fine drizzle, to remain constant throughout the game, and this proved to be detrimental to the Chinese team, who were a long time in finding a way to surmount the adverse conditions of a slippery surface and a greasy ball. The Rifles quickly took advantage of the ground conditions and turned them to profitable account.

No blame for defeat can be ascribed to Wong Wah-gay, the Chinese goalkeeper, who made several brilliant saves.

The best combination in the Rifles team came from the left side of the field, where Doherty and Ferguson combined in fine style.

The Rifles were a goal up in the first few minutes, Doherty nipping in to net when Moore had fumbled the ball at the foot of the post. Moore created their lead soon afterwards. Ten minutes later South China reduced the arrears through Lau.

In the second half to the Rifles scored through Killen. Towards the end Pickering added to the Rifles' total.

Mr. Leo Frost, the popular local jockey, will be leaving the Colony, on transfer to Canton, some time in March. Race enthusiasts, however, will be glad to learn that he will be riding at the Annual Race Meeting next month.

ODD GOAL VICTORY

Playing their second match during their stay in Hong Kong, the Waseda University hockey team were defeated by the Colony by three goals to two on the Navy ground in a splendid game played yesterday afternoon. The visitors played very well the forwards showing much speed and accuracy in stopping last shots.

The goalkeepers, U. B. Souza, in the Colony citadel, and Onizuka, for the Japanese team, were in splendid form the latter saving numerous difficult shots.

Within a minute of the initial bully-off, the Japanese jumped into the lead with a good goal scored by Kawai. Thornhill equalised for the Colony and just before the interval Waseda took the lead through Masamura.

Exchanges were much faster in the second half during which period the Colony drew level again through Wraith who sent the ball into the net from a difficult angle.

Excitement prevailed as the game drew to its close. Both goals were raised in turn and eventually Pataub, the Colony's diminutive left wing, scored the winning goal, as the result of a penalty bully.

The teams were as follows:—

Colony:—U. B. Souza (Argonauts); A. E. P. Guest (Radio); Bdm. Cox (Army); Lt. Comdr. McCoy (Navy); M. H. Hassan (Radio); J. Gonsalves (Recreo); Lt. Donald (Navy); Lt. Wraith (Navy); Lt. Wright (Navy); Lt. Thornhill (Navy); Partab (Kumaon Rifles).

MAMAK TOURNEY

C.B.A. Troupee Nomads

Holding the upper hand for the major part of the game, the Central British Association trounced the Nomads to the tune of six goals to one in an "A" Division Mamak Hockey Tournament match played at King's Park yesterday morning. The losers fielded only nine men there being two absentees, R. C. Reed and L. Souza.

During the game, F. G. Barros, playing at left back for the Nomads, had the misfortune to injure his knee rather badly. He found it impossible to carry on in the field and changed places with H. Soares, goalkeeper, in the second half.

The C.B.A. who fielded a very strong side, led 3-0 at the interval. S. Fowler (2) and B. L. Beckford scored the goals. In the second half, S. Fowler registered the "hat-trick" to bring his team's total tally to six. Towards the end a penalty-bully was awarded against J. J. King, the C.B.A. goalkeeper. From this, S. A. Reed scored the Nomads' solitary point.

FRED PERRY WINS

Vines Beaten In Straight Sets

New York, Jan. 9.
F. J. Perry to-day demonstrated that there was no duke about his victory over Ellsworth Vines in their first professional clash by repeating the performance before a large crowd at Cleveland, Ohio.

The match was scheduled as the best of three sets and Perry won by two straight, the scores being 13-11, 6-3.

The opening set produced thrill after thrill. Vines was the first to gain any important advantage, and he led 5-3.

Perry pegged him back and the score mounted, 6-8, 7-7, 8-8 and so on. Vines established a lead at 11-10, but Perry then swept through irresistibly to win the next three games.

Perry brought out some devastating net play in the second set and led 2-0. Vines recovered splendidly and won the next three games in a row, after which he was helpless against a rain of perfect strokes, Perry taking the next four for the set.

Vines was visibly tired at the close and it is reported that he is still suffering from influenza. It will be recalled that Perry beat Vines for the "professional championship of the world" last Wednesday at Madison Square Garden. The scores were 7-5, 3-6, 6-3, 6-4.

THIRD VICTORY
Chicago, Jan. 10.
Playing in his third professional match Fred Perry to-day defeated Ellsworth Vines in three straight sets, the scores being 6-0, 6-2, and 7-3.

This is the third time that Perry, playing as a professional, has defeated Vines in a week.—

NEW TERRITORIES AGRICULTURAL SHOW

(Continued from Page 1)

GOVERNMENT'S CONTRIBUTION

The contribution by the Government year by year has enabled us to carry on the work which consists first of the agricultural show, and then of the employment of a farm visitor and instructor, and a representative visitor; rather more than half of the annual expense is incurred at the show, which includes the erection of sheds, and carriage of exhibits, as well as prizes and other incidental expenses.

The work of the farm visitor is proving helpful as he instructs and advises farmers in all matters in which he has special knowledge and is able to bring their needs before the Committee. He also presents the seeds which are provided by the Association, and as far as possible supervises the growth of plants from the seeds.

The other employee keeps in touch with farmers and the members of Committee, and arranges about the exhibits, he gets to know hundreds of farmers, and is of great service to them.

The travelling expenses of these two men and their salaries are met by other contributions, and we have to express our gratitude for the generous support of many friends year by year.

CHILDREN INTERESTED
Our farm visitors have been able to interest children in various schools, and it is hoped that some of these may later become students in our elementary agricultural school, which we hope to open when our building is completed.

We are extremely grateful to Mr. J. E. Joseph, who has most generously offered to erect the building, which is being put up in good style, and which will be an ornament to the countryside near the Fanning Station.

Some people have proposed that millions of cabbages should be grown on the New Territories—perhaps the idea of a cabbage in the mind of a person offering such suggestions is what might be called a good old English cabbage.

It can be said that since this Association started, the growth of vegetables of many kinds has increased very greatly in the Territories, while fruit orchards and egg production have also increased.

CO-OPERATIVE MARKETING

It has not yet been possible to unite the people in co-operative selling or marketing, or even in purchase of seed. We have been contemplating ordering seed for them, but the uncertainty of repayment renders this impracticable and so seed is given if planted under our supervision.

Thanks must be given to Lady Ho Tung and others who have made special exhibits which add to the attraction of the Show, and to Mr. Green of the Botanical Department, who arranges for a very effective show each year, and to schools and others for their valuable exhibits.

To those who assist as Judges and in the display of the exhibits, and to Sir Robert and Lady Ho Tung for continually placing their grounds at our disposal for meeting and extending their well-known hospitality to us throughout the year.

GOVERNOR'S REPLY

In reply, His Excellency the Governor said:—
No invitation has been received by me with greater pleasure and alacrity than your invitation to open this Show, nor have I read or heard any annual report with greater interest than that with which I have just listened to your Chairman's remarks. Coming from Malaya where the Malayan Agri-Horticultural Association is a household word throughout the Peninsula I need no conversion to the similar gospel of your Association; on the contrary I recognise in it one of the most important institutions in this Colony, and on behalf of the Colonial Government I heartily thank everybody who subscribes to, or works for it.

Indeed it has been a great disappointment to me that my arrival in this Colony should have coincided with a severe economic depression that has dictated two slump budgets running so that any development of our agricultural policy along lines involving any increase of public expenditure has been impossible. I have attended many Agricultural Shows and I have always felt extremely restless when, after listening to the informative and comprehensive speech of the chief organiser, I have had to sit through a long and boring effusion by the opening authority, when all he had

need to say was "On with the Show." I will, therefore, profit, and allow you to profit, by my past experience and without more ado I declare this Tenth Annual Show of your Association open.

The exhibition concluded yesterday afternoon when Mr. J. Barrow, District Officer, Northern District, presented prizes to the owners of the various winning exhibits. The prizes were in the form of money, ranging from \$1 to \$2 besides a number of other special prizes among which were ten donated by the China Light and Power Company and two by Lady Ho-tung, for foreign and Chinese oranges.

OUTSTANDING WINNERS

Among the leading prize-winning exhibits were the following:—
District Prizes: 1. District 5 (Fanning, Sheung Shui and Kam Chin); 2. District 4 (Sha Tau Kok); 3. District 8 (Tinmoon).

Individual Prizes: 1. Hong Lok-yuen; 2. Sing Shui-sat; 3. Choy Bo.

Altogether eleven districts were entered for the competition, including Kowloon and Kowloon City.

Among those who were present at the prize distribution were Lady Ho-tung, Rev. H. R. Wells, Mr. C. Tetzel, Mr. Fung Ki-chuk, Mr. Tung Wai-tung, Mr. Cheung Tsung-ling, Mr. Wong Kin-man, and other district leaders.

EXHIBITION OFFICIALS

Judges at the exhibition were as follows:—Dr. G. A. C. Herklotz, Mr. J. J. Whyte, Mr. H. Green, Mr. Andrew Tse, Mr. Leung Tak, Mr. J. L. McPherson, Mr. Lam Hing-wan, Mr. Tang Chuk Bub and Mr. J. Russell.

Following were the various sub-committees:—
Construction: Tsai Po Tin, Liu Cheuk Nam.

Exhibits: Lady Ho Tung, T. P. Tong, Fung Ki Cheuk, Tang Pak Kau, Tang Wei Tong, Pank Lok Sam, Tsai Po Tin, Yeung Chak Nam, Lam Fung Chi, Liu Chek Nam, J. J. Whyte, Cheung Tsun Hing, and H. S. Jones.

Publicity & Printing: H. R. Wells, C. Tetzel and Chan Kam Po.

Reception: Fung Yee Yan, Tang Chung Mei, Lam Chung Nam, Lau Fung Kwei and Tang Chiu.

Transportation: C. M. Mannors, Fung Ki Cheuk, Tang Yau San, Tang Yau San, Tang Pak Kau, Liu Cheuk Nam and Ma Lu Ting.

Recording: Ho Din Hang, Kam Hung Tai, Li Chung Chong and So Dow Shan.

Musical Afternoon

(Continued from Page 1.)

The musical delights of the reception commenced when Mr. Percy Gifford sang in full-throated resonance, "The Dear, Dear Land" (Allston), which was encored with the very pleasing result of "Passing By" (Purcell).

Then came a very pleasant surprise when Mr. Li Chor Chi himself was persuaded to render "Fortune" (Messager) and "Printemps Nouveau" (Viel). His tempo, diction and mellowness constituted a delightful trinity of artistry.

"Aubade" (Leoncavallo) was then given by Mrs. R. Sanger, whose personality and vocality inspired prolonged applause.

There was an unnecessary apology which preceded the next "surprise"—the fact that neither of the parties to the rendition had rehearsed this number—"The Moon Eas' Raised Her Lamp Above," which was expertly interpreted by Balfe received its due measure of well-merited applause.

The same what Mr. Gerald Sydney termed, "a variation" it was the rendering of the oft-heard "By Killarney's Lakes and Dells" by Mr. Gifford. He did it in three keys as a "trick performance" and how he moved from baritone to alto and then to Clarinet, truly amazed and delighted his highly appreciative audience.

At the conclusion of the musical part of the reception, Mr. Li Chor Chi announced that this happened to be Mr. Gerald Sydney's birthday, and without more ado, yet embellished with a very few deftly selected words, he proposed the health of Mr. Sydney and presented him with a blackwood cigarette box ornamented in jade.

Taken entirely by surprise, Mr. Sydney had but few words to say, yet he gave his assurance, obvious by his emotion, that he valued the

FAREWELL CONCERT

Large Attendance At Peninsula Hotel

The Peninsula Hotel lounge was packed to overflowing last night at the farewell concert given by the band of the East Lancashire Regiment, by kind permission of Major W. E. B. Dowling and officers.

Long before the appointed hour for their appearance the spacious lobby of the hotel was filled by patrons who came to enjoy the music under the direction of the popular maestro, Mr. A. B. Yule, who has become known in the Colony's musical circles as one of the best exponents of the classics and a director par excellence.

Miss Ann Winter gave solo renditions that were more than warmly received and she gave encore after encore to the acclaim of the large crowd that attended.

Miss Winter will be remembered for the leading part which she took in the recent Philharmonic play, "The Maid of the Mountains," where she distinguished herself excellently.

At the conclusion of the concert the tables in the lobby were all taken and there was only standing room.

It is more than certain that all music lovers in the Colony will miss the splendid concerts that were given by the East Lancashire Band and it would not be amiss to mention that a better band will not be found in the Far East. Regrets at the departure of the regiment were overheard around the lounge and all well-wishers joined in a silent toast to the regiment's success in India, where they are bound.

The splendid programme was:—

1. March—"A Bunch of Roses," Chappell.
2. Overture from Richard Wagner's "Tannhauser."
3. Waltz—"The Eton Boating Song," Karl Kapa.
4. Selection—"Merry England," German.
5. Toselli's "Serenade."
6. New Sullivan Selection—arr. Dan. Godfrey.
7. Excerpts from the musical play—"The Arcadians," Monckton.
8. Cornet Solo—"Softly Awakes My Heart," Saint Saens, (Samson and Delilah), Soloist—Bandman W. Foster.
9. Tone Poem—"Finlandia," Sibelius.
10. Selection—"The Quaker Girl," Monckton.
11. Suite from the Ballet Music—"Hawatha," Coleridge-Taylor.
12. Selection—"Gypsy Love," Lehman.

Pope's Representative Arrives To-day

(Continued from Page 1.)

Both Archbishop Zanin and Bishop Xu Pin will visit Canton next week to attend a Congress of Catholic Action which will be held there from January 18 to 24. Many other bishops have also signified their intention of being present on that occasion, and many of them will immediately after go to Manila for the Eucharistic Congress.

The Catholic Action Congress will consist largely of discussion of various subjects which have been decided on some time ago. All relate to works of Catholic Apostolate, and the discussions will follow the reading of addresses by distinguished authorities in their own particular sphere. Numerous delegates, both ecclesiastical and lay, will attend the Congress from various parts of South China. It is the first Congress of this kind to be held in Canton.
